Dear Santa Bill,

Just to update

you — I have just had word from the  
Review Board of the Mount St. Helens Protection

Board that my separation (against my  
will of course) from the National Endowment for

the Arts was illegal and ordered Civil Service  
Procedure. Therefore I am looking forward

to reinstatement and all back pay and  
allowances restored. Of course my interest in

the East-West Center proceeds continues. While  
I haven't decided the details with regard to

the Endowment there are many, including the  
White Horse, I understand unless the Endowment

9-2 NEA after two not voted on and back pay

from 1975 when two have endorsed that have tried to

"quit" after civil service was rejected - end

Can find some grounds to oppose it, I  
will be seeing the decision in time by  
OCT 8, 1980.

It has restored my faith in  
The seriousness of the reviewing officer, and  
as I had written to you of my chagrin at  
the treatment received from the Endonut in this  
Administration, I thought I should in fairness  
update you. My support of your excellent work is  
continuing. With all good wishes,

Respectfully

John Horne Kerr

P.S. NEA still has not paid on my back sick pay  
from 1977 which has been authorized but never sent to  
me - so once again I am writing Livie for "help".
